CONSTRUCTION CLEANING SERVICE

Markeys Services, LLC.

Construction Cleaning - General Staffing - Interior and Selective Demolition

Company Overview

With every commercial project awarded, Construction Cleaning Service has one goal; to make the turnover process a success for Project Managers and Superintendents. Our company prides itself on meticulous cleaning services, the relationships we build on and off the clock, and our involvement in the community and industry. Our experienced staff can assist with your punch list items, and ensure your site is ready for inspection during any phase of the construction process. CCS also provides interior and selective demolition and general staffing in DC, Maryland and Virginia.
